

40 Days/40 Cans

Your generosity has once again been overwhelming! As of Thursday, March 19th, we have collected 1,392 items of food for our Pantry! Because of our limited office hours, food donations can now be taken directly to Christ's Table. Additionally, if your family has been affected by the COVID-19 closures and you find yourself in need of food, please contact the parish office and leave a message for a staff person. Our cupboards are decently stocked, and we are able to help!
