CAPITAL CAMPAIGN

The official kickoff to the Capital Campaign for the Renovation of St. Thomas Aquinas Church has begun. We have waited and prayed for this day for almost four years and the time has now arrived. As I have shared with you previously, the first phase of this project was to “Save the Church physically.” We did that in 2020, with the purchase and installation of shoring towers and scaffolding to support the roof until permanent repairs could be made. Let me assure you the church was stabilized by that action and remains stable during the current repair process. The second phase of this project was to “Save the church canonically”. We accomplished this goal working through the *Real Presence, Real Future* initiative throughout 2021 and 2022, culminating in the decision to repair St. Thomas Aquinas Church by Bishop Earl Fernandes and Pentecost of last year. Phase three of the project is the physical repair of the church and its opening. A team of up to 14 workers have been onsite most weekdays since October 16th when repairs began. We are well underway! The time has come to discuss the financial needs of the Parish for our long-term sustainability as envisioned by Bishop Fernandes. That is where you, my fellow parishioners can have an impact on the future of St. Thomas Aquinas Church. The total cost of the project is \$2.1 million. It is the policy of the diocese that no project can start until all needed funds are either in hand or pledged for the project. In order to initiate repairs immediately, we transferred funds necessary for the repairs from our endowment to the diocesan Parish Activities Fund. The positive from this action is that we could start repairs immediately on October 16th. The downside from this action is that St. Thomas will not be able to recognize the income from the funds that were in the endowment. This will reduce our annual parish income by over \$100,000.00. The funds raised from the *Pride in Our Past, Faith in Our Future* Campaign will be used to replenish the endowment, so that St. Thomas can continue to receive this \$100,000.00 annually as part of its operating income. St. Thomas Aquinas has received a grant from the Cora E. Rogge Foundation in the amount of \$250,000.00. This grant decreased the out-of-pocket cost from \$2.1 million to \$1,850,000.00. It is our plan to draw down another endowment by \$350,000.00. This leaves \$1.5 million that needs to be raised in the capital campaign to pay for the repairs. On the tables, exiting the church, you will find pledge cards and flyers describing the project and asking for your financial commitment. We ask that you take a pledge card and consider a gift to the Capital Campaign. You can make a one-time donation or you can spread a pledge over the next three years to better meet your financial needs. You have three options for participating: Dropping off your donation or pledge card to the Parish Office, mailing your donation or pledge to the Catholic Foundation in the envelopes provided or dropping your donation or pledge card in the offertory basket at Mass. We would prefer to receive your donation or pledge as soon as possible. No gift is too small as we work together to achieve this financial goal. As for the repairs, I will continue to keep you updated on a weekly basis in the bulletin as to how the project is proceeding. Please make sure to pick up a bulletin every week and I promise to keep you updated. I know you are anxious to know a date when we can reenter the church. Many factors come into play including subcontractors’ scheduling and material lead-times. If I am pressed to give you a date, I am hopeful that the church will reopen in the summer of 2024. As the project proceeds, I will be able to predict an exact opening date more accurately. Please feel free to stop by or call the Parish Office with any questions you may have. Finally, I am sure you have noticed the steel structural members on sawhorses that have been set up in the Activity Center. These components will become part of the truss system of St. Thomas Aquinas Church. If you would like to sign the components, please feel free to do so with the sharpies provided. In this way, your name will be memorialized in perpetuity with the church. These components will remain available for signature throughout the month of January. May God bless you as you prayerfully consider your participation in our Capital Campaign!

ROOF REPAIR UPDATE:

The picture this week is the latest floor layout of St. Thomas Aquinas Church as planned upon reopening. Please note the following changes:

St. Thomas Aquinas Catholic Church

Pride In Our Past, Faith In Our Future

"May this edifice of such history and beauty be returned to sacred service and continue to inspire and direct the life of truth, beauty, worship, and service of the Catholic faith on the banks of the mighty Muskingum for generations to come."

Fr. Jan Sullivan, Former Pastor (2017- 2023)

Our History Is Rooted in Dominican Teachings

St. Thomas Aquinas is rooted in the teachings of the Dominican Fathers. Parish life began in 1819 when the first Catholic Mass was celebrated by Fr. Dominick Young at the Green Tree Tavern. In 1820, John Dugan, the key benefactor of St. Thomas, purchased land at the corner of Fifth Street and Locust Alley upon which the first Catholic Church was built in Zanesville under the patronage of The Holy Trinity.

This new Catholic Church was the catalyst for Catholicism in Zanesville. A sandstone structure was built that stands today as the current St. Thomas Aquinas Church. St. Thomas has been serving the community since the cornerstone was laid on St. Patrick's Day in 1842. Dominican Fathers staffed St. Thomas until 2017, when the Catholic Diocese of Columbus accepted the property and assumed pastoral care.

"May we continue the dedicated work of the generations who have gone before us. Having benefited from the fruits of their labor, now it is our turn to plant the seeds, and renew St. Thomas for future Catholics. May the Lord bless our efforts and may what we do now echo His glory for years to come!"

Father David Young, Pastor

Building The Future Of St. Thomas Aquinas

Phase 1: Saving St. Thomas Structurally

On Ash Wednesday 2020, St. Thomas closed due to issues associated with our roofing infrastructure. In order to reopen our beloved church, a plan to stabilize the roof was implemented.

Phase 2: Saving St. Thomas Canonically

St. Thomas faced two additional challenges: the COVID pandemic and the newly implemented Diocesan plan known as *Real Presence, Real Future*. During this time, the St. Thomas community rallied together and engaged in a variety of parish life activities in order to help overcome the void of not physically being inside the church. The fruits of our labor resulted in the final report of *Real Presence, Real Future* issued by Bishop Earl K. Fernandes in Spring 2023 that keeps St. Thomas Aquinas open.

Phase 3: Rebuilding St. Thomas

Despite all of the hardships faced over the past few years, membership at St. Thomas has grown by 10% since 2020. Today, nearly 600 families call St. Thomas their faith home. Plans are underway to not only repair the roof, but also preserve the beautiful, one-of-a-kind Gothic plaster ceiling inside the church. **It is essential that all parish families participate in the financial act of stewardship to help with the structural restoration of St. Thomas. Please help us to re-enter our beautiful church!**

\$1.5 Million Campaign - We Need YOUR Support!

- \$700,000 has been spent on engineering shoring towers and bracing to support the existing roof.
- \$600,000 in existing funds will go towards the new roof.
- \$250,000 pledge from the Cora E. Rogge Foundation.
- **\$1,500,000 in financial support is needed.** Please consider sharing your treasure to establish a sound infrastructure *and* future for St. Thomas Aquinas. **Pledges can be spread out over the next three years.**
